- B. The fees relating to a Gaming-Related Vendor License are as follow:
  - 1. A nonrefundable application fee of \$10,000 must accompany an initial, new, or renewal Gaming-Related Vendor License Application. Please note that in some instances the cost to investigate a Gaming-Related Vendor License Application may exceed the \$10,000 application fee referenced here. The Applicant will be notified of any additional costs pursuant to the procedure set forth in this section;
  - 2. In the event that the costs incurred by the Commission in the course of investigating the Applicant's background exceed the upfront application fees set forth above, the Commission may, upon written notice, charge the Applicant an additional fee to cover the actual costs of investigation;
  - 3. Upon the Commission's approval of an initial, new, or renewal Gaming-Related Vendor License Application, the Applicant must pay a nonrefundable license fee of \$15,000.
- C. A complete application must be submitted to the Commission in the manner and at the location prescribed by the agency as well as pay the application fee in the manner described in Ohio Adm. Code 3772-6-03(D). Once an application is accepted, it becomes the property of the Commission and may not be withdrawn without the permission of the Commission.

## **IV. BACKGROUND INVESTIGATIONS**

Pursuant to R.C. 3772.07, the Commission must obtain criminal records checks for each investor in a gaming-related vendor.

For purposes of the Gaming-Related Vendor License Application, an "investor" is: (1) any natural person who holds a direct or indirect ownership interest of more than one percent in the Applicant or a Holding Company of the Applicant, and who is or will be employed by the Applicant and licensed as a Key Employee pursuant to R.C. 3772.01(P) and

3772.13; or (2) any natural person who holds a direct or indirect ownership interest of more than five percent in the Applicant or a Holding Company of the Applicant.

All investors meeting these criteria must complete and return to the Applicant or Holding Company, for submission with this form, an Authorization to Release Criminal Record Form, which may be found in Exhibit 19b. If, however, an investor is required to be licensed as a Key Employee, the investor need not initiate two separate criminal records checks. The Commission will honor a criminal records check conducted on an investor in connection with the Applicant's or Holding Company's submission when that investor seeks licensure as a Key Employee.

To initiate a criminal records check, the investor must be fingerprinted. Contact the Commission's Division of Licensing and Investigations at (614) 387-5688 or toll free at (855) 800-0058 to schedule an appointment or to have an out-of-state fingerprinting packet mailed to you.

## **V. IMPORTANT NOTICES**

- A. Should you be unable to fully understand this form in English, it is your responsibility to acquire adequate means of interpretation or translation, as applicable.
- B. All notices regarding a Gaming-Related Vendor License Application will be sent to the address provided on this form. You must notify the Commission of any change of address in accordance with Ohio Adm. Code 3772-6-04.
- C. Each Applicant and Holding Company of the Applicant must make accurate statements and include all material facts. Any omissions, material errors, misrepresentations, failure to provide any requested information, or failure to meet any other requirement as set forth in law or rule may result in the denial of the Gaming-Related Vendor License Application, the suspension or revocation of any license issued by the Commission, or the imposition of fines or penalties.
- D. The Commission will not issue a Gaming-Related Vendor License to a person who:
  - 1. Has been convicted of or has pleaded guilty to or no contest to a disqualifying offense per R.C. 3772.07 and 3772.10 (a "disqualifying offense" means any gambling offense, any theft offense, any offense having an element of fraud or misrepresentation, any offense having an element of moral turpitude, and any felony not otherwise included in the foregoing list);
  - 2. Has submitted an application that contains false information;
  - 3. Owns an ownership interest that is unlawful under R.C. Chapter 3772, unless waived by the Commission;
  - 4. Violates specific rules adopted by the Commission related to denial of licensure;

5. Is a member of or employed by a gaming regulatory body of a governmental unit in Ohio, another state, or the federal government, or is an employee of a governmental unit of Ohio and in that capacity has significant influence or control, as determined by the Commission, over the ability of a casino operator, management company, holding company, institutional investor, or gaming-related vendor to conduct business in Ohio;
  6. Is not at least twenty-one years of age; or
  7. Is otherwise ineligible for licensure as determined by the Commission.
- E. Pursuant to R.C. 3772.16, certain information submitted, collected, or gathered as part of a Gaming-Related Vendor License Application is confidential and not subject to disclosure as a record under R.C. 149.43. Each Applicant and Holding Company of the Applicant should clearly identify those portions that it deems to be confidential, proprietary commercial information, or trade secrets. Non-confidential information provided to the Commission is open to public inspection to the extent permitted by R.C. 149.43 and 3772.16.
- F. In accordance with the Privacy Act of 1974, 5 U.S.C. 552a, disclosure of your social security number is voluntary. Failure to disclose your social security number is not grounds for denial of a Gaming-Related Vendor License Application. If provided, the Commission will use the social security number to obtain and verify information in the Application. The absence of a social security number may, however, delay the final determination of the Application. **Note: If your social security number is provided, it will not be disclosed by the Commission as part of any public record.**
- G. Pursuant to Ohio Adm. Code 3772-5-01, certain individuals associated with the Applicant or a Holding Company of the Applicant will be required to apply for and obtain Key Employee Licenses, which is a separate and distinct process. Approval of a Key Employee License does not ensure approval of a Gaming-Related Vendor License, and vice versa.
- H. A Gaming-Related Vendor License expires three (3) years after the date of licensure. Renewal of a Gaming-Related Vendor License may be requested by submitting a completed Gaming-Related Vendor License Application no less than **one hundred twenty (120) days** before expiration of the License and paying the application fee, in the manner outlined under this form's Instructions.
- I. A Gaming-Related Vendor License issued by the Commission is a revocable privilege and is not transferable. No licensee has a vested right in or under a Gaming-Related Vendor License issued by the Commission.

---

(Applicant's or Holding Company's Printed Name)

The above-named entity is a Gaming-Related Vendor License Applicant or a Holding Company of the Applicant. This document provides the Ohio Casino Control Commission with the necessary authorization to conduct investigations of the Applicant or Holding Company. It also provides the issuing agency with the applicable request, consent, and release of information notifications (hereinafter referred to as "Authorization and Notification") in connection with the Applicant's Gaming-Related Vendor License Application, including any information provided by the Holding Company.

The Applicant or Holding Company hereby gives its authorization and consent to the Commission, including but not limited to, its commissioners, employees, agents, consultants and designees (hereinafter collectively referred to as "Agent"), to conduct full investigations into the background and records, whether financial, criminal, or otherwise of the Applicant or Holding Company in connection with the Applicant's License Application, and to make inquiries and request and obtain such information from other third parties as, in the sole discretion of the Commission or its Agent, is necessary to such investigation. The Applicant or Holding Company acknowledges and agrees that the Commission may conduct all or part of such investigations and reviews on its own accord or may enlist the services of other entities as its Agent to conduct these investigations. The Applicant or Holding Company further authorizes the use of any such information in the course of the Commission's investigation and evaluation of the Applicant's License Application in connection with casino gaming operations.

The Applicant or Holding Company hereby authorizes the release of any and all information pertaining to the Applicant or Holding Company, whether it is documentary or otherwise, as requested by the Commission or its Agent, provided that the Commission's representative certifies to the issuing entity that the Applicant has a License Application pending before the Commission. This Authorization and Notification requests any and all persons and every present or former firm, company, corporation, governmental entity, association, institution, or other third party to whom this request is presented having personal knowledge and opinions about the Applicant or Holding Company or knowledge or control of any information, documents, records, correspondence, or data (including, but not limited to, criminal and financial history and record information, i.e., account, note and general ledger), pertaining to the Applicant or Holding Company, to reveal, furnish copies, and release to the Commission or its Agent, any and all information, opinions, knowledge, documents, records or other data in their possession regarding the Applicant or Holding Company, whether of a privileged or confidential nature or whether or not such information would otherwise be protected from disclosure by any constitutional statutory or common law privilege. Without limiting the previously described authorization, the Applicant or Holding Company specifically authorizes the release of information concerning casino gaming and gambling activities. The Applicant or Holding Company hereby authorizes all such persons to answer any inquiries, questions, or interrogatories concerning the Applicant or Holding Company, which may be submitted to them by or on behalf of the Commission.

In consideration for the issuing entity gathering and disclosing such information, the Applicant or Holding Company further specifically waives absolutely any privileges it may have and confidential relationship of privacy positions that may exist which may be applicable to any documents or information sought from the issuing entity pursuant to this Authorization and Notification.

The Applicant or Holding Company hereby releases the Commission and its Agent from any civil or criminal liability whatsoever for seeking such requested information and for evaluating such information as it relates to the Applicant's License Application. Moreover, the Applicant or Holding Company hereby discharges, saves, and holds harmless the Commission and its Agent from any and all claims and damages, as well as any responsibility or liability of every nature and kind, resulting from or arising out of the

Commission's investigation. In addition, the Applicant or Holding Company hereby releases the issuing entity and its agents and employees, both individually and collectively, from any and all liability for damages of whatever kind, which may at any time result because of compliance with this Authorization and Notification and requesting and/or furnishing, inspecting, disclosing, and using such opinions, knowledge, documents, records, or other data.

The Applicant or Holding Company waives all right to inspect or review any information compiled in reference to its License Application. The Applicant or Holding Company authorizes the Commission and its Agent to release copies of any and all information to any agency or entity regulating the Applicant, Licensee, or Holding Company to include, but not limited to: Ohio State Patrol, and other law enforcement offices (police department or sheriff's office) in the State of Ohio, Ohio Attorney General's Office, agencies of other states, the federal government and any foreign government or any foreign or domestic entities.

The Applicant or Holding Company authorizes that a photocopy or facsimile copy of this Authorization and Notification, or any other copy, be effective and accepted with the same authority, validity, and legality as the original instrument bearing the signature of an Applicant's or Holding Company's officer or director, and the Applicant or Holding Company specifically waives any requirement for a written authorized request. The Applicant or Holding Company acknowledges and understands that this Authorization and Notification consists of a two (2) page document that will become part of the Applicant's License Application.

This Authorization and Notification is limited to the Applicant's License Application with this Commission and shall supersede and countermand any prior request or notification to the contrary by the Applicant or Holding Company. This Authorization and Notification shall be valid for this Application and any future investigations, reports, or updates that may be requested by the Commission, and if a License is issued to Applicant, this Authorization Notification shall extend and be effective during the term of any issued License.

The Applicant or Holding Company has read and fully understands the above consents and authorizations. By affixing a signature below, the Applicant or Holding Company authorizes any representative of the Commission or its Agent to request information about the Applicant or Holding Company from entities for the purpose of determining the Applicant's eligibility to obtain and retain a License issued by the Commission.

- A. The Applicant or Holding Company acknowledges and agrees that Applicants for a Gaming-Related Vendor License are seeking a privilege. The burden of proving qualifications to receive such a license is at all times borne by the Applicant. The Applicant or Holding Company acknowledges and agrees that the Applicant or Holding Company must accept any risk of adverse public notice, embarrassment, criticism, other action or financial loss that may result from action or inaction by the Commission with respect to any application, and that the Applicant or Holding Company expressly waives any claim for damages resulting thereof. The Commission may further request information not requested in this form or in addition to that which is provided in response to this form. The Applicant or Holding Company acknowledges and agrees that the Applicant or Holding Company shall provide all information, documents, materials, and certifications at the Applicant's or Holding Company's sole expense and cost.
- B. The Applicant or Holding Company acknowledges and agrees that the Applicant or Holding Company must make accurate statements and include all material facts and that any omissions, material errors, misrepresentations, failure to provide any requested information, or failure to meet any other requirement as set forth in law, rule, or regulation may result in the denial of the Application, suspension or revocation of any license issued by the Commission, or issuance of fines or penalties.
- C. The Applicant or Holding Company acknowledges and agrees that the Commission shall not issue a Gaming-Related Vendor License to a person who:
1. Has been convicted of or has pleaded guilty to or no contest to a disqualifying offense per R.C. 3772.07 and 3772.10 (a "disqualifying offense" means any gambling offense, any theft offense, any offense having an element of fraud or misrepresentation, any offense having an element of moral turpitude, and any felony not otherwise included in the foregoing list);
  2. Has submitted an application that contains false information;
  3. Owns an ownership interest that is unlawful under R.C. Chapter 3772, unless waived by the Commission;
  4. Violates specific rules adopted by the Commission related to denial of licensure;
  5. Is a member of or employed by a gaming regulatory body of a governmental unit in Ohio, another state, or the federal government, or is an employee of a governmental unit of Ohio and in that capacity has significant influence or control,

6. Is not at least twenty-one years of age; or
  7. Is otherwise ineligible for licensure as determined by the Commission.
- D. The Applicant or Holding Company acknowledges and agrees that pursuant to R.C. 3772.16, certain information submitted, collected, or gathered as part of a Gaming-Related Vendor License Application is confidential and not subject to disclosure as a record under R.C. 149.43. Further, each Applicant and Holding Company of the Applicant should clearly identify those portions that it deems to be confidential, proprietary commercial information, or trade secrets. The Applicant and Holding Company is aware that non-confidential information provided to the Commission is open to public inspection to the extent permitted by R.C. 149.43 and 3772.16.
- E. The Applicant is advised that in accordance with the Privacy Act of 1974, 5 U.S.C. 552a, disclosure of a social security number is voluntary. Failure to disclose your social security number is not grounds for denial of a Gaming-Related Vendor License Application. If provided, the Commission will use the social security number to obtain and verify information in the Application. The absence of a social security number may, however, delay the final determination of the Application.
- F. The Applicant or Holding Company (and in the event a license is issued, the Licensee) acknowledges and agrees that pursuant to Ohio Adm. Code 3772-5-01, certain individuals associated with the Applicant or a Holding Company of the Applicant will be required to apply for and obtain Key Employee Licenses, which is a separate and distinct process. Further, approval of a Key Employee License does not ensure approval of a Gaming-Related Vendor License, and vice versa.
- G. The Applicant or Holding Company (and in the event a license is issued, the Licensee) acknowledges and agrees that a Gaming-Related Vendor License expires three (3) years after the date of licensure. Further, renewal of a Gaming-Related Vendor License may be requested by submitting a completed Gaming-Related Vendor License Application no less than **one hundred twenty (120) days** before expiration of the License and paying the application fee, in the manner outlined under this form's Instructions.
- H. The Applicant or Holding Company (and in the event a license is issued, the Licensee) acknowledges and agrees that any license issued by the Commission is a revocable privilege and is not transferable. Further, no licensee has a vested right in or under any such license.
- I. The Applicant or Holding Company acknowledges and agrees that the filing fee that must accompany the submission of Gaming-Related Vendor License Application is not refundable once the Application is filed.
- I. The Applicant or Holding Company (and in the event a License is issued, the Licensee) acknowledges and agrees to be bound by and to comply with the applicable portions of the Casino Control Law (R.C. Chapter 3772) and any amendments thereto and all

applicable current or future rules, conditions, standards, directives, and orders adopted, promulgated, or issued by the Commission.

If you need W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213. Most requests will be processed within 10 business days . . . . .
